

COVID-19: Extension of Premium Credits

With the ongoing global impact of COVID-19, we want to assure you that Benefits by Design (BBD) Inc. is doing our part to help working Canadians through this challenging time.

Throughout June, we expect to see a below normal volume on dental claims. Therefore, we're extending the premium credits for one more month.

Non-refund (in other words, insured) Benepac® clients will receive a **50%** dental premium credit for June. The credits for June will appear on July invoices.

Administration of Premium Credits

There's nothing you need to do. Premium credit adjustments will be applied automatically.

During this time, some of your reports in Nomad, BBD's online administration portal, may reflect incorrect information. Please bear with us as we facilitate these changes.
