Hello [Plan Admin],

Green Shield Canada (GSC) has announced a significant update to their travel coverage which affects your Travel Insurance.

What is changing?

For the period of August 15, 2020, through June 30, 2021, all standard GSC travel plans will include coverage for emergency medical expenses related to COVID-19, up to the existing maximums of each plan.

If your plan has out-of-country travel coverage under a pure ASO funding arrangement or you have an out-of-country pooling limit, GSC is also extending the COVID-19 coverage to their plan.

Where do I go with questions?

Plan members are encouraged to visit the [GSC Support Centre](#) for more details on the prudent steps to take before booking or undertaking travel.

If you have any questions, please contact your Client Manager.

We're all in this together,
