## A message from RBC Group Benefits Solutions

September 30, 2020

### **RBC Insurance brings you and your employees PocketPills – a digital pharmacy at your fingertips!**

COVID-19 has clearly changed the way we live, and with recommended physical distancing the continued norm, some may find it difficult to carry out their daily activities. As doctors' offices slowly re-open, doctors continue to communicate with pharmacies and insurance companies to ensure medications remain covered.

RBC Insurance® is the first group benefit insurer to bring a digital pharmacy claims management solution to market, enabling planmembers to fill, renew and manage all their prescriptions through the app or the PocketPills website without leaving their house!

**As a bonus for signing up, members get \$25 in free vitamins!**

*Service is not currently available in the province of Quebec.*

#### **Benefits of PocketPills**

- Manage all your prescriptions through the PocketPills app
- Save money with low dispensing fees, competitive drug pricing, and free home delivery
- Medications are delivered in pre-sorted doses helping members take the right medication at the right time
- Easy access to pharmacist by live chat, text, phone or email
- Caregiver Feature – add other family members to your profile so you can view medications, ask questions on their behalf and arrange for free home delivery
- Sign up today using **coupon code RBCVIP** and you'll receive your choice of a free Immune Support Vitamin Pack or \$25 worth of vitamins!

#### **Next steps**

Access to this digital service is being offered to all RBC Insurance H&D plan members by signing up at **[app.pocketpills.com/rbc](https://app.pocketpills.com/rbc)** or by phone at 1-855-950-7225. Ensure you have your drug card and provincial health card handy when registering.
